We offer free USPS Priority Mail Shipping, and we pay the sales tax on all domestic sales.

My Friends Characters are for indoor decoration only. They are not a toy.

MY FRIENDS CHARACTERS AVAILABLE NOW

My Friends Characters are hand crafted using wood, paint, and glue. Some characters require additional materials. For example, Artist Art and Artist Kristine have rhinestones to represent paint on their artist palettes.

Each My Friends Characters comes with a wooden box. The character's picture is on the front and their story on the back. The box's interior alterations allow the character to be safely nestled inside with a Certificate of Authentication noting the release date, the design number, and the series number.
